INFRASTRUCTURE

Behind every Shrink Film we create lies a story of design, precision, and innovation. At Bagla Group, product development is more than making a POF Shrink Film - it's about anticipating market needs and engineering solutions that deliver unmatched performance. From concept to creation, every stage of production is backed by stringent quality checks and rigorous in-house testing to ensure performance, reliability, and compliance with global standards.

OUR PRODUCT RANGE

WrapTek® Ultra

CROSS-LINKED POF SHRINK FILM

WrapTek Ultra is the go-to cross-linked POF shrink film for strength, clarity, and versatility. Manufactured for uniform shrinkage and a wide sealing range, it runs smoothly on all equipment delivering glossy, durable, and perfectly sealed packages every time.

AVAILABLE AS:

Thickness:	40, 45, 60, 75, 100, 120, 150 Gauge (10, 11, 15, 19, 25, 30, 38 µm)
Width - Single Wound:	3" to 100" in 0.25" increments
Width - Center Fold:	3" to 50" in 0.5" increments
<i>Can be hot-perforated. Printing option available. Can be manufactured as Pouches.</i>	

WrapTek® 505

NON CROSS-LINKED POF SHRINK FILM

WrapTek 505 delivers exceptional clarity, gloss, and versatility at an unbeatable value. Our non-cross-linked POF shrink film seals easily, making it perfect for fast, efficient packaging of virtually any product all while enhancing presentation and providing tamper-evident protection.

AVAILABLE AS:

Thickness:	50, 60, 75, 100, 120 Gauge (12, 15, 19, 20, 30 µm)
Width - Single Wound:	3" to 100" in 0.25" increments
Width - Center Fold:	3" to 50" in 0.5" increments
<i>Can be hot-perforated. Printing option available. Can be manufactured as Pouches.</i>	

WrapTek® Fresh

ANTIFOG POF SHRINK FILM

WrapTek Fresh keeps your products crystal clear, even in humid conditions. With powerful anti-fog properties, it offers exceptional transparency and a glossy finish. WrapTek-Fresh offers high strength, heat resistance and controlled shrinkage for flawless packaging.

AVAILABLE AS :

Thickness:	45, 60, 75 Gauge (11, 15, 19 µm)
Width - Single Wound:	3" to 100" in 0.25" increments
Width - Center Fold:	3" to 50" in 0.5" increments

WrapTek Fresh comes with a BRC Certification.

WrapTek® Earth

POF SHRINK FILM WITH 60% RECYCLED CONTENT

WrapTek Earth delivers premium shrink performance while reducing the carbon footprint. Made from 60% recycled content (30% Post Industrial Recycled content, 30% Post Consumer Recycled content), it offers excellent clarity and strong sealing, as well as supports circular economy.

AVAILABLE AS :

Thickness (Cross-Linked):	40, 45, 60, 75, 100, 120, 150 Gauge
Thickness (Non Cross-Linked):	50, 60, 75, 100, 120 Gauge
Width - Single Wound:	3" to 100" in 0.25" increments
Width - Center Fold:	3" to 50" in 0.5" increments

Cross-linked technology & Non Cross-linked technology.

Can be hot-perforated. Printing option available.

Can be manufactured as Pouches.

WrapTek Earth comes with a AENOR Certification.

WrapTek® Opaque

OPAQUE POF SHRINK FILM

WrapTek Opaque keeps what's inside under the wraps. With full opacity, UV-blocking protection, and a smooth shrink finish, it's perfect for light-sensitive products, privacy needs, or bold branding that stands out while keeping the inside content concealed completely.

AVAILABLE AS :

Thickness:	100, 150 Gauge (25, 37 µm)
Width - Single Wound:	3" to 100" in 0.25" increments
Width - Center Fold:	3" to 50" in 0.5" increments

Cross-linked technology & Non Cross-linked technology.

Printing option available. Can be manufactured as Pouches.

WrapTek® Soft

LOW ENERGY POF SHRINK FILM

WrapTek Soft delivers a perfect shrink at lower heat, saving energy and protecting the product integrity. With balanced shrinkage, strong seals, and brilliant clarity, it's the ideal choice for efficient, high-quality packaging across a range of sealing machines.

AVAILABLE AS :

Thickness:	40, 45, 60, 75 Gauge (10, 11, 15, 19 µm)
Width - Single Wound:	3" to 100" in 0.25" increments
Width - Center Fold:	3" to 50" in 0.5" increments

Cross-linked technology & Non Cross-linked technology.

Can be hot-perforated. Printing option available.

Can be manufactured as Pouches.

BAGLA GROUP'S

PRINTED POF SHRINK FILMS

Bring unmatched shelf presence to multi-packs, e-commerce overwraps, and promotional bundles. Custom-printed shrink films offer full-wrap branding, clear windows, or subtle logos —delivering standout appeal while streamlining packaging components.

Features	Benefits
• Up to 8-color printing or clean brand logos. • Custom graphics with clear-window options. • Full integration on most POF films. • High sustainability gain. • Cost savings up to 40–60%.	• 360° branding to captivate consumers at every angle. • Blend aesthetics with product visibility, perfect for e-commerce. • Easy adaptation with minimal equipment tweaks. • Eliminates extra packaging and boosts circularity. • Replaces trays, sleeves, or paperboard—cut waste, inventory, and cost.

ARE YOU STRUGGLING WITH:

- Constantly chasing your suppliers for delivery
- Even after chasing you don't get your delivery on time
- Sales are not growing
- Loss of customers due to quality issues
- Margins are shrinking and costs are going up
- You are fighting competition, discount and credit
- Deliveries are not predictable which leads to cash flow issues
- Supplier does not take responsibility of the quality
- You do not have new products to offer
- You run out of material when you need it most
- You are still selling the same old products with low margins
- You need to chase your supplier for any information
- You are at risk of political changes disrupting your supply chain
- You get material that is not of correct length and weight
- There is always a new excuse and problem
- Price always increases and without logic
- Coordinating with too many suppliers
- You are tired of fighting
- The joy of doing business is no longer there

If yes, all these problems will vanish after you work with us.

RESULTS YOU WILL GET WORKING WITH US:

- Never Run Out of Material
- Always have the latest and most innovative products to sell
- Get a wide range of products from single source
- No more hassles and delays in deliveries
- Transparent and fair pricing 365 days a year
- Correct market information and trends
- Super fast claim resolutions
- Dedicated customer relationship officer available 24x7
- Always get facts and not excuses
- Guaranteed length and weight of all products
- Local sales rep to help you with trainings and information
- Gain market share by world class service
- Innovative products to increase your margins
- Have a dedicated dashboard to see all your orders and delivery
- No more fighting and all focus only on growing business
- Ease of doing business and peace of mind

Your Buying will be on Autopilot so you can focus your energy only on Selling and growing your Profits.
