

Mono Filament Tape

Heavy Duty

Product Description:

Mono Filament Tape is a high-strength, fiber-reinforced tape designed for bundling, palletizing, and heavy-duty carton sealing. Its glass fiber reinforcement provides exceptional tensile strength and resistance to tearing, while the strong adhesive ensures reliable performance on a variety of surfaces. This tape secures the heavy loads & prevents package shifting during transit.

Backing Material: Fiberglass Laminated BOPP

Adhesive : Synthetic Rubber Resin

Key Features

- Strong Adhesion
- Reliable Holding Power
- Versatile Bonding
- Superior Tensile Strength
- Durable Protection
- High Tear Resistance

Key Application

- Carton Sealing
- Splicing
- Palletizing
- Bundling (recommended for indoor use; not UV-exposed).

TECHNICAL SPECIFICATIONS

TECHNICAL PROPERTY	TEST METHOD	UNIT	METRIC
Total Thickness	Internal	5.7 mils	145 µm
Total Weight	ISO 536	155 g/m ²	155 g/m ²
MD Tensile Strength	AFERA 5004 /PSTC 131	239.8 Lbs/in	420 N/cm
MD Elongation at Break	AFERA 5004 /PSTC 131	7 %	7 %
MD Elongation at Break	AFERA 5001 /PSTC 101	54.8 oz/in	6 N/cm

ADDITIONAL INFORMATION

SHELF LIFE: The standard shelf life is 12 months from the date of manufacture. However, this depends on several factors such as storage conditions, handling etc.
